

BELARUS STATE ECONOMIC UNIVERSITY

since 1933

Minsk

BSEU is one of the oldest universities in Belarus. Over the years of its existence, the University has trained more than 165 000 specialists from more than 30 countries. Among the graduates are well-known academicians, prominent public officials, and major businesspersons. More than 800 citizens from Europe, Asia, Africa, and America study at BSEU

The University offers every international applicant a wide choice of economic schools and majors. Foreign citizens study in academic groups together with Belarusian students

Over the entire period of study, international students are equal participants in the social, scientific, sports, and cultural life of their Schools and university as a whole

Together with Belarusian students, they perform and win competitions, organize recreation evening parties, go on excursions

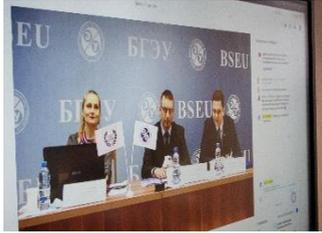

The language of instruction at first stage of higher education is taught in Russian and English

Applicants to the master's and doctoral programs are offered academic programs in Russian and English

Those wishing to master the fundamentals of economics are assisted by qualified instructors of the School of Pre-University Training and the Department of Belarusian and Russian languages

CROSS-CULTURAL EXPERIENCE

BSEU is a scientific, educational and research platform that brings together representatives of different countries and provides students with opportunities for personal growth, disclosure of creative potential, and social realization
