

BSEU is actively expanding and strengthening partnership with educational institutions worldwide. Currently, we have collaboration agreements with over 140 universities and scientific organizations from both neighboring and distant countries.

BSEU is continuously developing collaboration with universities in the People's Republic of China. The connections with economic universities in Russia and neighboring countries are strengthening. Under the existing agreements, valuable experience has been gained in bilateral cooperation with institutions in Africa and Latin America.

Universities, educational and scientific organizations with which BSEU has concluded agreements on academic cooperation and student exchange
